

Pilkington Decorative Glass

Brilliant Cut

PILKINGTON

Create an attractive new addition to complement your home

The lines and curves created by diamond cut facets catch and reflect the light, subtly changing throughout the day. Choose from a range of eight classic patterns, all designed to add permanent elegance to your surroundings, naturally.

- Brilliant Cut Glass is available in a choice of eight classic patterns.
- Once cut, the diamond facets remain a permanent feature, suitable for both exterior and interior use.
- Brilliant Cut Glass can be used in any application appropriate to the base glass, either single glazed or in insulating glass units.
- Standard stock plates (600mm x 400mm and 1200 x 500mm in 4mm and 6mm) are available for cutting to bespoke sizes.
- All patterns are available in bronze, grey and clear glass.
- Each standard stock plate contains a single pattern as shown above (As an example of scale: Snowflake Oval measures 250mm x 160mm).
- Brilliant Cut Glass can be toughened once it has been cut to the correct size.
